Experience

Ira has worked at Zartman Construction for over 30 years and knows the construction business inside and out. He has played a part, in one way or another, in almost every major project in that time.

In his current role he reviews the perspective market for projects, assigns projects to estimating team members, reviews all estimates prior to submission, develops customer relationships, reviews project costs with project managers and mentors team members. He is a valued member of the management team who helps to monitor and develop the company's vision.

Ira has completed numerous building projects and renovations in all facets of the construction industry for clients throughout Pennsylvania.
